20. (Internal Use Only - LLM) In accordance with Circular A-19 instructions, advised Ralph Malvik, in the Office of Management and Budget, of Mr. Helms' 18 May letter to Chairman Stennis on section 504(a) of the Foreign Relations Authorization Act of 1972 (S. 3526), explaining that the Senate Armed Services Committee had made an urgent request for a letter concerning the implications of the 10 per cent overseas personnel reduction on the Agency. In response to his request, a copy of the letter was sent to [REDACTED] OPPB, was advised.

21. (Unclassified - LLM) Returned the earlier call of Miss Rhoda Kachilo, in the office of Representative John Dent (D., Pa.), to [REDACTED] OBGI, for a copy of the China Atlas and explained the situation. Miss Kachilo said no extra effort for Mr. Dent was necessary as the request was being made for a constituent.

22. (Internal Use Only - LLM) Called Mr. William Hawley, in the Office of Management and Budget, concerning the proposed Executive order on advisory committees, which he had sent to us at our request, to discuss the different treatment accorded "Presidential committees," such as PFIAB, and other "advisory committees." Mr. Hawley explained that he was not a lawyer, but it was the intent to bring all committees under OMB management, and in response to my question, he said he thought it would be too late if we had adverse comments as the Executive order had just cleared the Department of Justice enroute to the President.

23. (Unclassified - SMG) Jo-Anne Coe, in the office of Senator Robert Dole (R., Kans.), called and requested an employment interview for a constituent, [REDACTED] After checking with [REDACTED] Office of Personnel, I advised her that an appointment has been scheduled for next Thursday, 25 May, at 2:30.

2. (Unclassified - JMM) In the absence of Tom Korologos, White House staff, I left word with his secretary that we had been in touch with USIA and State and thought if action were going to be taken regarding the dissemination amendment to the Foreign Relations Authorization Act (S. 3256) we should move promptly. I recalled that Mr. Korologos had earlier indicated he would make a date for us to join in meeting with Senator Howard Baker on this matter, and said I wondered whether he intended to go through with this.

3. (Internal Use Only - LLM) Called Bill White, Legislative Reference Service, Office of Management and Budget, to get a reading on the prospects for Senate passage of legislation controlling Federal advisory committees (which could apply to PFIAB, NSC, USIB, etc.). Initially White felt that a new Executive order being submitted to the President would satisfy congressional critics but later advised me that the Metcalf bill (S. 3529) would most likely pass the Senate and that the conference committee should not have too much trouble in ironing out the differences between the Senate and House bill (H. R. 4383). The Administration is opposing both bills.

4. (Unclassified - GLC) Left with the House Foreign Affairs Committee staff a copy of the China Atlas which Mr. Roy Bullock, of the staff, can make available to Representative Donald Fraser (D., Minn.) who wanted access to an Atlas.
